Date of Last Treatment (Cytoimplant patients) = - ==> Patient not treated with second Cytoimplant as of data cut-off.
Date of Resolution = - ==> if date is not given, event is ongoing or date of resolution is unavailable.
Special Missing values: N = Not Applicable; D = Not Done; A = Not Available; U = Unknown
All Adverse Events associated with an SAE number have been reported as a Serious Adverse Event only if YES is noted in the Serious column.
More than one adverse event may have been reported with an SAE. These events are the signs and symptoms of the diagnosis.
